

LCO7270-WMB ANTENNA

LCO7270-WMB Compact Omni Antenna

The LCO7270-WMB antenna is a compact 4G/LTE multiband omni-directional antenna designed for outdoor deployments. Housed in a robust white Luran sheath, the LCO7270-WMB antenna offers consistent performance across the frequency bands. Ideal to complement LTE routers and access applications, the LCO7270-WMB is supplied with a wall-mount bracket as standard.

Applications

- ▶ LTE Routers
- ▶ LTE Access Applications
- ▶ Security Systems
- ▶ Gateways
- ▶ 4G Broadband Access

Key Features

- ▶ Compact Outdoor Omni Antenna
- ▶ Covering 4G/LTE Frequencies
- ▶ Omni-Directional
- ▶ Wall-Mount
- ▶ Combine with RF240 / RF400 Cables

ELECTRICAL SPECIFICATIONS

Frequency Range	Peak Gain	VSWR	Input Power	Impedance	Polarization
690-960/1710-2700 MHz	2-3 dBi	<2.7:1	10w	50 Ohm	Linear

MECHANICAL SPECIFICATIONS

Dimensions	Cable Type	Connector	Sheath Material	IP-Rating	Mounting
159 x 34mm (hxd excluding bracket)	None	N-Female	Luran	IP65	Wall
